Other information:

Zinktechnik Bosnia doo is a sister company of Zinktechnik in Sweden and is fully in line with Zinktechnik guidelines in terms of high technology, knowledge, automation, quality and environment. The company is located in Mostar Bosnia Herzegovina. Total floor space is 4200 m2 with fully automatic production with one of Europe's most modern and up dated equipment. 22 die casting machines from 30 up 130 t clamping force, and finishing operation as shot blasting, tumbling, machining and assembly. Zinktechnik is a manufacturing company specialized in zinc die casting products.

Our business idea - From idea to finished product, Zinktechnik shall offer a long-lasting and value-for-money alternative to companies that need to complement or replace other materials and/or manufacturing processes by cast zinc parts. Zinktechnik shall also provide information about zinc as a material and in that way act as a complete knowledge business. A high level of knowledge and technical competence, together with our attitude and continuous development, shall ensure the confidence of both clients and employees when they choose Zinktechnik
